Chapter 13 Plan

12/17

Part 1: Notices

To Debtor(s): This form sets out options that may be appropriate in some cases, but the presence of an option on the form does not indicate that the option is appropriate in your circumstances. Plans that do not comply with the Bankruptcy Code, the Federal Rules of Bankruptcy Procedure, this Court's local rules, and judicial rulings may not be confirmable.

In the following notice to creditors, you must check each box that applies

To Creditors: Your rights may be affected by this plan. Your claim may be reduced, modified, or eliminated.

You should read this plan carefully and discuss it with your attorney if you have one in this bankruptcy case. If you do not have an attorney, you may wish to consult one. Failure to object may constitute an implied acceptance of and consent to the relief requested in this document.

If you oppose the plan's treatment of your claim or any provision of this plan, you or your attorney must file an objection to confirmation at least 7 days before the date set for the hearing on confirmation, unless otherwise ordered by the Bankruptcy Court. The Bankruptcy Court may confirm this plan without further notice if no objection to confirmation is filed. See Bankruptcy Rule 3015. In addition, pursuant to Federal Rule of Bankruptcy Procedure 3002, you must file a timely proof of claim in order to be paid under any plan. Confirmation of this plan does not bar a party in interest from objecting to a claim.

The following matters may be of particular importance. *Debtors must check one box on each line to state whether or not the plan includes each of the following items. If an item is checked as "Not Included" or if both boxes are checked, the provision will be ineffective if set out later in the plan.*

2.1 The debtor submits to the supervision and control of the trustee all or such portion of future earnings or other future income as is necessary for the execution of the plan.

Unless all allowed claims (other than long-term claims) are fully paid pursuant to the plan, the debtor will make regular payments to the trustee as follows:

Insert additional lines if needed.

The debtor and trustee may stipulate to a higher payment in order to provide adequate funding of the plan without the necessity of a modification to the plan. The stipulation is effective upon filing with the Court.

Additional monthly payments will be made to the extent necessary to make the payments to creditors specified in this plan.

Part 3: Treatment of Secured Claims

To receive a distribution from the trustee, a proof of claim, including adequate supporting documentation and filed in compliance with Official Rules and Forms, must be filed with the Court. For purposes of plan distribution, a claim shall be treated as provided for in a confirmed plan. However, if a claim is treated as secured in a confirmed plan and the affected creditor elects to file an unsecured claim, such claim, unless timely amended, shall be treated as unsecured for purposes of plan distribution. Any creditor holding a claim secured by property that is removed from the protection of the automatic stay by order, surrender, or through operation of the plan will receive no further distribution from the chapter 13 trustee on account of any secured claim. This provision also applies to creditors who may claim an interest in, or lien on, property that is removed from the protection of the automatic stay by another lienholder or released to another lienholder, unless the Court orders otherwise, but does not apply if the sole reason for its application arises under 11 U.S.C. § 362(c)(3) or (c)(4). Any funds that would have otherwise been paid to a creditor, but pursuant to these provisions will not be paid, will be distributed according to the remaining terms of the plan. Any creditor affected by these provisions and who has filed a timely proof of claim may file an itemized proof of claim for any unsecured deficiency within a reasonable time after the removal of the property from the protection of the automatic stay. Secured creditors that will be paid directly by the debtor may continue sending standard payment and escrow notices, payment coupons, or inquiries about insurance, and such action will not be considered a violation of the automatic stay.

The remainder of this paragraph will be effective only if the applicable box in Part 1 of this plan is checked.

The debtor requests that the Court determine the value of the secured claims listed below. For each non-governmental secured claim listed below, the debtor states that the value of the secured claim should be as set out in the column headed Estimated amount of secured claim. For secured claims of governmental units, unless otherwise ordered by the Court after motion or claims objection filed after the governmental unit files its proof of claim or after the time for filing one has expired, the value of a secured claim listed in a proof of claim filed in accordance with the Bankruptcy Rules controls over any contrary amount listed below. For each listed claim, the value of the secured claim will be paid in full with interest at the rate stated below.

The portion of any allowed claim that exceeds the amount of the secured claim will be treated as an unsecured claim under Part 5.1 of this plan. If the estimated amount of a creditor's secured claim is listed below as having no value, the creditor's allowed claim will be treated in its entirety as an unsecured claim under Part 5.1 of this plan. Unless otherwise ordered by the Court, the amount of the creditor's total claim listed on the proof of claim controls over any contrary amounts listed in this paragraph.

Unless 11 U.S.C. § 1325(a)(5)(A) or (C) applies, holders of secured claims shall retain liens to the extent provided by section 1325(a)(5)(B)(i). Secured creditors paid the full secured claim provided for by this plan shall satisfy any liens within a reasonable time.

These claims will be paid in full under the plan with interest at the rate stated below. These payments will be disbursed either by the trustee or directly by the debtor, as specified below. Holders of secured claims shall retain liens to the extent provided by 11 U.S.C. § 1325(a)(5)(B)(i). The debtor shall pay all post-petition priority obligations, including but not limited to taxes and post-petition domestic support, and pay regular payments on assumed executory contracts or leases, directly to the holder of the claim as the obligations come due, unless otherwise ordered by the Court. Trustee's fees and all allowed priority claims, including domestic support obligations other than those treated in § 4.5, will be paid in full without postpetition interest.

4.2 Trustee's fees

Trustee's fees are governed by statute and may change during the course of the case.

4.3 Attorney's fees.

- a. The debtor and the debtor's attorney have agreed to an attorney's fee for the services identified in the Rule 2016(b) disclosure statement filed in this case. Fees entitled to be paid through the plan and any supplemental fees as approved by the Court shall be disbursed by the trustee as follows: Following confirmation of the plan and unless the Court orders otherwise, the trustee shall disburse a dollar amount consistent with the Judge's guidelines to the attorney from the initial disbursement. Thereafter, the balance of the attorney's compensation as allowed by the Court shall be paid, to the extent then due, with all funds remaining each month after payment of trustee fees, allowed secured claims and pre-petition arrearages on domestic support obligations. In instances where an attorney assumes representation in a pending pro se case and a plan is confirmed, a separate order may be entered by the Court, without further notice, which allows for the payment of a portion of the attorney's fees in advance of payments to creditors.
- b. If, as an alternative to the above treatment, the debtor's attorney has received a retainer and cost advance and agreed to file fee applications for compensation and expenses in this case pursuant to 11 U.S.C. § 330, the retainer and cost advance shall be held in trust until fees and expense reimbursements are approved by the Court. Prior to the filing of this case, the attorney has received **\$800.00** and for plan confirmation purposes only, the fees and expenses of counsel are estimated at **\$2,900.00** or less.

1. PAYMENTS FROM THE DEBTOR TO THE CHAPTER 13 TRUSTEE (THE "TRUSTEE"): The Debtor submits to the supervision and control of the Trustee all or such portion of future earnings or other future earnings as necessary for the execution of the plan. In addition, Debtor will pay to the Trustee any portion of a recovery under a pre-petition claim or cause of action that constitutes disposable income or is not exempt.

As provided for in Operating Order of the judge assigned to this case ("Operating Order"), which is incorporated herein by reference, this plan provides for the Debtor to make Mortgage Payments to the Trustee on a conduit basis. In the event of a conflict between this document and the Operating Order, the terms of the Operating Order control.

The Debtor shall pay to the Trustee the sum of **\$ 3,284.00** per month for a period of **60** months, unless all allowed claims (other than long-term claims) are fully paid pursuant to the plan.

Except for the initial disbursement after confirmation, which is addressed in IV.A.1. below, the Trustee shall apply any funds received in the order set forth below:

1. Trustee percentage fees;
2. Ongoing Conduit Mortgage Payments;
3. All other secured claims (including but not limited to Pre-petition Mortgage Payments, Gap Payments, and Post-petition Charges) and Debtor's attorney's fees included in the Chapter 13 Plan, on a pro rata basis;
4. Priority unsecured claims on a pro rata basis;
5. General unsecured claims in a pro rata basis.

Nothing in this plan should be interpreted to impair the right of any party in interest to seek the appropriate relief from the Court as a result of the Debtor's failure to make Conduit Mortgage Payments or Plan Payments to the Trustee.

The Trustee is authorized to increase Debtor's monthly plan payments by the amount necessary to fund the Plan if the Plan becomes no longer mathematically viable due to the filing of any of the following:

1. Notice of Mortgage Payment Change;
2. A Compliant POC or any amendments thereto; or
3. Notice of Post-petition Fees, Expenses, and Charges (subject to para. IV(B)(3)(d) below).

The Trustee may make these payment changes by filing a Trustee's **Notice of Plan Payment Change** and providing notice to the Debtor and Debtor's attorney.

An increase in Conduit Mortgage Payments may decrease the dividend, if any, paid to general unsecured creditors. Unless the Debtor is required to pay specific dollar amounts to priority and/or general unsecured creditors under 11U.S.C. §1325(a) or (b), the Trustee is not required to seek an increase in plan payments in order to achieve or maintain a certain dividend to general unsecured creditors.

Nothing herein shall prevent the Debtor from seeking a reduction in plan payments in the event the Conduit Mortgage Payment decreases for any of the reasons listed in this section.

For so long as the Debtor remains current in Payments pursuant to the plan, and regardless of the date of disbursement of the Conduit Mortgage Payment by the Trustee, the Mortgage Creditor, any servicer, trustee for the loan, or successor-in-interest, shall not: (1) declare the loan in default; (2) impose any Post-petition Charge; or (3) seek to recover or assess late fees or penalties. Payments from the Debtor to the Trustee that are returned for insufficient funds or for other reasons by the Trustee's financial institution will be deemed "not received." The Mortgage Creditor shall apply all Trustee disbursements as designated by the Trustee, in accordance with the classes below:

a. Pre-petition Arrears.

To **Wells Fargo Home Mortgage**: The Trustee shall pay the **Pre-petition Arrearage** (including month of filing or conversion) as stated in the creditor's allowed claim or as otherwise ordered by the Court at the rate of **\$271.00** or more per month [along with (percent) interest, if applicable].

Note to users: add separate paragraphs for each creditor entitled to be paid arrears.

b. Conduit Mortgage Payments (ongoing Post-petition Monthly Mortgage Payments). Beginning in the third calendar month following the filing of the Petition, or conversion, or the occurrence of any other event requiring the Debtor to make Conduit Mortgage Payments, the Trustee shall pay the ongoing Mortgage Payments due to Mortgage Creditors as indicated in the chart below. Unless otherwise ordered, Conduit Mortgage payments will be retained by the Trustee until after confirmation of the plan and until such time as either the Debtor files a proof of claim for the Mortgage Creditor pursuant to 11 U.S.C. § 501(c), or the Mortgage Creditor files a proof of claim in compliance with the Official Forms. Mortgage Creditors shall apply the payments designated by the Trustee as Conduit Mortgage Payments solely to Post-petition obligations that accrue during or after the month specified herein. If the Conduit Mortgage Payments are placed into a suspense, forbearance, or similar account, they will be deemed to have been timely applied pursuant to this subsection. Mortgage Creditors shall file and serve a Notice of Mortgage Payment Change in accordance with the applicable Official Form, within the deadline and in compliance with the service requirements set forth in F.R.B.P. 3002.1 (b) , to reflect any changes in the monthly mortgage payments or escrow amounts that occur during the term of the plan.
